# Welcome to New Knowledge Adventures

## A MESSAGE FROM THE PRESIDENT

Dear NKA Members,

As I look over the spring semester classes, I notice many of the same dependable instructors and facilitators. We could not be successful without them. We have some favorite classes as repeats, and have added many new ones. All members should be able to find some classes that spark an interest. Keep an eye out for emails informing members of opportunities for NKA participation in various social events.

This fall we have been trying to get better organized and more efficient, but we continue to need help. At the initial deadline, there were only 72 classes. There are now over 115 classes with 30 facilitators. Thank you to all who stepped up to participate! I challenge all of you to think about getting more involved in the process of what makes us NKA. There is a lot of talent and knowledge out there. Please help us find it and share it with our members.

We continue to have last-minute cancellations and no-shows (30-40%), as well as lots of phone calls by facilitators. As always, please cancel if you can't make it. This is more of an issue with classes having fees. After a bit of brainstorming, we are implementing a trial of a pre-pay program for the ISU craft shop classes that I am facilitating. Please note: For those taking the ISU craft shop classes, there is a pre-payment required before being enrolled in a class. The fee is non-refundable unless your space in the class can be replaced. We hope to identify and fix any glitches found so we can potentially add other fee classes to this list if it works. So far, the idea of pre-payment has been well received by the members I have spoken to. We want this to be user-friendly, so please give me your input. We want NKA to continue to be a great resource for older adults to learn, participate, and enjoy.

Let's make this a great semester!

- *Chris Brower*, NKA President

## POLICIES AND PROCEDURES FOR NKA CLASSES

*NKA is a life-long learning group for people 50+ years of age. It is based upon the Road Scholar program and offers a variety of educational classes to its members. There is a Fall and Spring catalog that describes the semester classes being offered and states dates, times, location and a brief description of the class. Members may register for and participate in as many classes as they like, (with space limitations).*

1. Each class has a facilitator who fills out the facilitator sheet to be turned in to the curriculum committee. The facilitator oversees the class and ensures that it adheres to the times, dates, locations and other information listed in the catalog. If changes are necessary, the facilitator notifies the curriculum chair person, who will then notify CEWT and the President.
2. Each class will operate within the semester dates designated by the Curriculum Committee (which typically follows the ISU calendar).
3. If the class is held in a venue that NKA contracts with, (i.e. Liberty Hall, Elk's Lodge, Assemble, SAC), then the class will abide by the parameters set in the contract.
4. NKA may cancel a class that does not comply with these guidelines.

### HEALTH POLICY

If you are sick or don't feel well, stay home, cancel class and zoom.

### EMERGENCY CLASS CANCELLATION POLICY

In case emergencies such as hazardous weather conditions (and if School District 25 has canceled school) then NKA classes will also be canceled. Membership will be notified via e-mail and the NKA Facebook page. If a presenter must cancel a class, then the presenter will notify the facilitator, who will contact CEWT to send an email to class members.

### PRESENTERS

Generally, Presenters are voluntary and are not compensated. Non-member presenters are invited to the Spring luncheon as guests of NKA. We are very fortunate that our presenters share their time and knowledge with us. Please take a minute to thank them.

### HOW DO YOU BECOME A MEMBER

Fill out the Membership and Registration Form (both sides) in the middle of this catalog, sign the "Agreement and Release of Liability" form, choose classes and method of attendance, and return forms with registration fees. Or register online. Membership is by semester and fees are due each semester. For additional information, call 208-282-2789, M-F, 8 a.m. to 5 p.m.

### NKA MEMBERSHIP CLASS REQUESTS

Registrations will be accepted after the due date, but you may not be able to enroll in all the classes you want because of room or class size limitations. Be assured every effort will be made to accommodate and register you for requested classes.

### NOTICES

- INSTRUCTORS, facilitators, or leaders of classes, field trips, or other activities have the discretion and right to deny enrollment or participation of anyone who fails to demonstrate consistently the ability, with or without reasonable accommodation, to complete or perform the requirements of a particular course, field trip, or activity without jeopardizing the health or safety of the members, other participants, or the instructor.
- FEES required in advance for travel or activity tickets, lodging, transportation, meals, and similar expenses are *nonrefundable*. Some fees will need to be paid either at the first class or prior to the class.
- The VIEWS AND OPINIONS expressed in presentations are those of the instructor and do not necessarily reflect to the policy or position of NKA governing board.
- PHOTOS AND VIDEOS may be taken during NKA classes and activities for publicity or historical purposes. Members may request to opt out.

### PARKING

Parking on ISU campus is *free only after 4 p.m.* For daytime classes on campus, you need a parking permit (General Lots), which is good for the year. *Permit through NKA is \$5.50*; permit will be mailed with the registration receipt, or buy one in person at the CEWT office. NKA permits are not transferable to others and are to be used for NKA classes only. Misuse may result in a ticket. *Neither NKA or CEWT shall be held liable for any violation of parking regulations.*

**Contra Dancing (#3254)**

*Wednesday: February 21, 28, March 6 & 13; 1:00 – 2:00 p.m.*

Try something new for exercise and fun! Contra dance is a simple form of folk dancing. Couples (no need to bring a partner), form a set with another couple in long lines. Couples progress up and down these lines, dancing with other couples in the line. A caller teaches the sequence of moves. Since there is no required footwork, many people find contra dance easier than other forms of social dancing. If you can walk, you can contra dance! Music includes Irish, Scottish, old-time, bluegrass, French-Canadian folk tunes, etc. Please wear shoes that won't mark the floor.

**Castles of Ireland (#3342)**

*Thursday: March 21; 10:30 a.m. – Noon*

Ireland has one of the highest concentrations of castles anywhere in the world. There are over 2,000 tower houses (small castles) alone in the west central part of the emerald island. In the spring and fall of 2016, I traveled to Ireland to do some thalidomide medical-legal consulting. While there, of course I visited as many castles as possible – including kissing the Blarney Stone. I also visited many other historic sites such as Irish monasteries and Newgrange. This is lecture three in my series of castle classes for NKA.

The Germans attempted to blow the bridge but failed. The allies used the bridge to move tanks, trucks, and 8,000 soldiers across it in the first 24 hours. This presentation will explain how they did it.

**Lodge Halls and Railroad Houses (#3350)**

*Monday: February 26; 10:30 a.m. - Noon*

Lodges and fraternal organizations had a lasting effect on the development of business districts in growing towns and cities in Idaho and the West. A number of buildings in historic downtown, still standing and some long gone, contributed to the development of Pocatello. Learn where they are, their history, and their contributions to the city. Railroad houses were prefabricated houses brought in on flatbed rail cars to provide housing for the first railroad workers and other settlers. Many of them still exist around the city, and can be seen by certain characteristics which make them recognizable today. This presentation includes illustrations of many of them including how they looked originally, and how they look today.
